Abbreviations AAA = Abye Administrative Area, GPAA = Greater Pibor Administrative Area, RAA = Ruweng Administrative Area

Note These figures were developed by reading through the names of all 550 appointees to the RTNLA as they appeared on the Juba Monitor, Vol. 10, Issue No. 2261, published on Wednesday May 12, 2021; and determining which ones were for male and female.
This approach may not necessarily be accurate given that some names are assigned to both male and female in different communities in South Sudan. This may affect the accuracy of the figures in this table. The Organization for Responsive Governance will update this table in case more accurate information is made available.
Women League and Veterans League were creations of the SPLM-IO and did not apply to all the parties.
